WHO WE ARE?

COMBINING THE DIVERSE STRENGTHS OF THE MOZILLA & GROUP OF COMPANIES TO CREATE NEW VALUES.

Mozilla Granito places top priority to the principle of making lives better to ensure that the products we manufacture consistently delight people. We also strive to create new horizons by continue improving our manufacturing capabilities and management resources within the Mozilla Group. With deep understanding of current architectural demands, technology and strong expertise in tiles business,

We implement high-end machineries to create the best slabs in the market, with the highly advanced features like Non-absorbent, Resistant to liquids and acids, Resistant to thermal shock, Non- toxic slabs that do not release micro-particles and many more

Decor Carving

The image shows a close-up, high-angle view of a floor covered in large, square tiles. Each tile features a different, intricate pattern in shades of grey and black, including floral motifs, geometric shapes, and abstract designs. A portion of a striped rug with black and white horizontal stripes is visible in the upper left corner, partially covering the tiles. The lighting is soft, highlighting the texture and patterns of the tiles.

MOZILLA
EXQUISITE SURFACES

The Mozilla Granito LLP large-sized slabs are ideal for surfaces that demand maximum hygiene, strength, and aesthetic harmony. The wide range of Colors and Marble Texture allows Mozilla Granito surfaces to be used in residential contexts, such as the kitchen, living room, bathroom, bedroom, and commercial spaces, such as hotels, restaurants, offices, and stores.

The technical performance of porcelain tile and sophisticated aesthetics come together in large-sized slabs that create the impression of continuous and harmonious surfaces and spaces.
